**Per guidelines from the Pool & Hot Tub Council of Canada and Industry Standards for Improved Safety, we legally cannot attach or remove diving boards from the pool due to safety issues

Your salt cell needs to be cleaned annually which we can do for you. See either **Salt Pool** or **Clean Salt Cell ONLY** above. The manufacturers of salt cells recommend they are stored indoors. If your salt cell can be removed we will leave it on your patio for you to bring inside for the winter

We are not responsible for winter covers coming out of track or loose from a water bag.

We will not go on the roof to winterize a solar system, winterize solar blankets or remove solar blankets from their rollers.
