Pool Inspection Report

Pool Type: Vinyl liner

Pool Size: Kite shaped : 24 feet at widest point & 36 feet long

General Condition of pool: The pool was built approximately 40 years ago. The liner is old but functional. There are ripples in the liner which may indicate a sand bottom. As there are no visible tears, just discoloration, liner should be replaced for aesthetic purposes only. Pool and equipment appear to be in good shape.

Equipment:

Filter: 24" Hayward sand filter

Pump: 1 hp Sta-Rite Pump

Heater: 250,000 but Hayward Natural gas heater

Salt: Hayward Aqua Rite Salt System

Chemical Feeder: none

Winter Cover: Yes Water Bags: Yes Automatic Cleaner: No Vacuum Pole: Yes

Vacuum Hose: Yes Vacuum Head: No Brush: No Net: No

Test Kit: Could not locate

Other Equipment:

General Condition of Equipment: General condition of all pool equipment is good
